Yetieska's Frostnip

We are so happy with how far Nini has come due to her obedience work and exposure to other people and dogs. When she first came out here, I had to crawl on my hands and knees to drag her out of the dog house to take her to obedience classes. That lasted about 6 months. Now she meets me at the gate all smiling, happy and excited and will run to jump into the dog crate in the van without a leash, so eager to go.

TITLE COMPLETION: Rally Novice

Yetieska's Frostnip

Laurissa Schmidt offered Yesieska's Frostnip "Nini" to Kelley and I shortly after Ranger's fatal illness. Burney was mourning and not doing well as a only dog. So in January 2014, Kelley and I made a snowy trip to Wyoming to meet Laurissa half way. At our first meeting, Nini wanted nothing to do with either of us or Burney and hid behind Laurissa.

In a short time she warmed up to Burney and Kelley and her husband, Marc. But for several months each time she saw me come into the yard at Kelley's house, she would hid in her dog house. I had to crawl on my hands and knees after her to put a leash on, then drag her out to go to the obedience classes I had enrolled her in. She was a quick learner and obeyed commands readily. Gradually I began to see a change in her attitude. She began to come to me when I came over and would run out to the van ready to jump in when I came by. By June, she had passed her CGC (Canine Good Citizen) and in July she qualified for her first two legs in Rally Novice. She completed her RN title in August with one score of 96 of 100. At the SHCA National Specialty, she received a 4th place in the Rally Novice B competition. Ten of the points we lost, were due to my error, not hers. I was very proud of her and how far she had come in the nine months. She has become much more accepting of strangers and being in strange situations. I attribute all of this to obedience training which has given her confidence.

Talocon's Mountain Explorer, CGC, CD, TDX, RN, TT

Scout earned a 195 out of a possible 200 in Novice B at the 2014 SHCA National Specialty. He did a lovely job of on and off leash heeling, figure 8, stand for exam, recall and the long sit and down. Scout is a very gentle and happy soul and loves to work. He is almost 10 years old and while trained through Open and some Utility exercises, we do not show in Open as he has always had a physical issue with the long sit out of sight. It is one of the more difficult Obedience exercises and takes a fair amount of focus and physical stability to sit in one place for 3 minutes. The 5 minute Open down is a piece of cake by comparison. We've been happy to just do the 1 minute Novice sit and 3 minute down and were quite pleased with his performance at the National. We look forward to competing at the 2015 National in October and hope to do as well or better. Good boy, Scout!!

IN MEMORIAM

Kodi was the first Siberian I placed with someone other than a friend. He was from the second litter I bred and I wanted to do everything right. I set up a home visit with his potential new owners and the idea was to have a meet and greet and then take Kodi home so everyone could give some thought as to whether or not this was a good fit. Well Kodi had other ideas. As soon as Kodi met Jess it was love at first sight. He almost immediately climbed into her lap and didn't want to budge. At this point there was no way I was taking him back home with me. He had chosen his new family and when I left I looked back hoping to see some sort of sadness and seeing my departure. NOPE! As he sat in Jess' lap he looked at me as if to say "You are free to go, I have found my new home!"

After 12+ wonderful years with Jess and Billie, along the way welcoming a 4-legged brother Reiley, and a 2-legged brother Bryce, Kodi passed away on 6/24.

Thanks to Jess, Billie, Bryce, and Reiley for giving Kodi such an amazing life!

Kodi, 4 years old

9/12/2002 - 6/24/2015
